## Terms, Warranties and Conditions

### CLIENT AGREEMENT

By submittal of this RX to Bayshore Dental, I agree to abide by all terms and policies listed. Bayshore is not liable for incidental or consequential damages, including inconvenience, lost wages, chair-time, or pain and suffering.

### TERMS

Invoices will be sent with each finished case. Statements are issued and mailed at the end of each month. Payment terms are Net 30 with approved credit. A 2% discount will be applied if a credit card is on file and the account can be automatically charged on the 15th and 30th of each month. We accept VISA, MC, Discover and American Express.

A 2% charge per month (annual 24%) will be added to all accounts past 30 days. Orders on past due accounts will be shipped COD for the amount of the invoice and any past due amounts. A \$ 50 charge will apply in the case of returned checks.

All disputes shall be governed by Florida law, with the prevailing party to recover all fees and expenses.

### WARRANTIES

Bayshore warranties that all dental devices are made in accordance with your specifications. If a device is returned, Bayshore will replace or repair the device at no charge in accordance with the following conditions:

- A. Porcelain fused to metal and full cast metal restorations 7 years from date of delivery by us.
- B. Full porcelain veneers, crowns, in/onlays 3 years from date of delivery by us.
- C. Removeables for 1 year if failure is due to materials or workmanship.
- D. For other products not listed, the implied warranty is 90 days from date of delivery by us.

### REMAKES

If we accept your impression, our work is guaranteed according to the terms outlined above. If we ask for a new impression and you ask us to proceed anyway, any remakes will be at full charge.

In order for remakes to be warranted as stated above, the dental device, original models and impressions must be returned to us. We will assess a 50% charge if these items are not returned. If you choose to use the original device as a temporary, intending to return it to us when the replacement is delivered, please let us know on the RX.

### DISCLOSURE

In accordance with Florida law, we hereby disclose that products may be manufactured in the U.S., Mexico or China. All materials used in the fabrication of dental devices are approved by the ADA and the FDA with the countries of origin being the United States or Europe.
